

Saturday 21st November 2020

Yours is the Kingdom, the power and the glory

Our particular prayer focus for today is businesses, many of which are struggling or have closed down this year due to Covid19.

So as we think about business in our locality and across Suffolk, we also remember those we know who have lost jobs or are in danger of doing so, those who are struggling economically, and the self-employed and small business owners. We lift them to God by name as we pray for His mercy, blessing and help.

Thinking more broadly to include the multinational companies, household names, long established industries which support the economy of the area they are in we pray for:

- Wisdom in decision making
- Hope for workers and their families
- Integrity in all dealings
- Regeneration and new growth

As we sum up our prayers this week, we pause to reflect on the following:

What would it look like if God's Kingdom was to spread in the following areas?
What would it look like for God to be acknowledged as holding the reins of power?
What would it look like for God to be glorified?

In:

- Business life
- Education
- Families
- Retail
- Food supply
- Law and Judiciary
- NHS
- Media
- Government
- The Church
- Social Services

Lifting these areas of our corporate life, both on a local and on a national level before God; naming those known to us personally in each area; thinking of the influencers, advisors and decision makers we pray together

"Thy Kingdom Come, thy will be done, on earth - in Suffolk, in our nation - as it is in Heaven. Amen"

Suffolk
in prayer
